Biodegradable -Yes

#### SAFETY

Caution: This product contains ingredients that can cause severe eye irritation. Wear safety glasses and suitable gloves. Do not excessively inhale vapors.

#### FIRST AID:

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF ON SKIN: Gently wash with plenty of soap and water

IF INHALED: If breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for breathing.

IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell.

Obtain Safety Data Sheet (SDS) for detailed safety information.

#### STORAGE

Store in a cool, dry, well-ventilated area away from sunlight, heat and ignition sources. Store above 52 degrees F, and below 109 degrees F.

#### DIRECTIONS FOR USE

Read product label and SDS before use.

#### METHOD OF APPLICATION

##### Mal Odor Counteractant

1. Remove odor source: To effectively counteract mal odors, the source of the odor should be removed. In heavily soiled areas, pre clean with a heavy duty cleaner such as Emtech Labs' EM-1. Rinse before applying this product.
2. For small areas: Apply this product non-diluted by fine mist spray, or trigger spray. For large areas: Apply non-diluted by pump spray, atomizer, mister, or fogger.
3. **Caution, sprayed surfaces will be wet.** Wipe surface dry with a damp clean cloth. On floors, damp mop dry.

##### Deodorizing & Hard surface cleaning

1. Sweep floor of any loose debris.
2. Dilutions: Mild odor problems: 2-4 ounces per gallon. Moderate odor problems: 6-10 ounces per gallon. Severe odor problems: 12-22 ounces per gallon.
3. Clean with microfiber towel, brush, sponge, mop, or other tools as prescribed by the end user management. Clean water rinse if needed.
